The meeting was called to order at 7:05 p.m.

1. The results of the 2009 Camp Survey were reviewed and discussed.
2. Kathi Gallup agreed to send Melinda Greer a list of Committee Chairs so that meeting dates and times could be circulated to all appropriate parties.
3. Jim Stromberg agreed to research the logistics of conducting criminal background checks on all volunteers who are on-site at camp.
4. After a general discussion regarding the Code of Conduct, Darryl Loken agreed to work with Gabrielle Dane to update the Code of Conduct.
5. The Senior Teen leaders will be asked to discuss with the Ayudantes what constitutes appropriate physical contact with campers of all ages.
6. The pre-camp letter should be sent by U.S. mail for LaSemana 2010. We would like the pre-camp letter to include information about the Service Project if the Service Project will be soliciting donations of used household items.
7. It was decided that the 2009 alumni volunteering at camp should be paid a \$100 stipend for their volunteer time. Commencing in 2010, a stipend will not be paid to returning alumni. Melinda Greer will draft a letter to the alumni to be circulated with their checks informing them about the change in stipend policy.
8. A proposed 2009-2010 meeting schedule for Camp 2010 was established.

The meeting was adjourned at 9:10 p.m.
